
Pride ourselves upon our empiricism.

The picture does not necessarily involve censure or unkindness

Get to where you are going. Run?

Sports Car and Competition Driving, Riverside.

My Ears Just Fell Off.

I was standing in line at the bank today waiting for my turn.

Funny Things Do Happen!

your waiting for the phone to ring—then just like that, it didn't.

I don't know how many times it failed.

12 point Proceed Thin
Left to its own devices, the recalibrated shift program will upshift, firmly, at around 6750rpm. Press the sport button to the left of the
